Dear Fulton County Schools' Families:

We are thrilled to announce that we will offer MealpayPlus (www.mealpayplus.com) beginning January 1, 2010, a state-of-the-art online service that offers you the convenience and information you need to manage your student's meal account. This system will eliminate the need to send checks to school or worry about lost or forgotten lunch money, and speeds up serving lines in the cafeteria.

For a small program fee, MealpayPlus allows any family to:

- **Make a prepayment** into your student's meal account using a credit card, or debit card at **www.mealpayplus.com**. Funds deposited through MealpayPlus are usually available for student use within a matter of minutes.
- Create settings to **automatically replenish** your student's account when it reaches a low balance

We strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through www.mealpayplus.com. To create a new account, follow the onscreen directions and register your student using their Student ID number.

Get started today!

1. Contact the school to secure your child's Student ID Number
2. Log onto: **www.mealpayplus.com**.
3. Register your child into the K-12 school meals prepayment system.
4. Make a prepayment to your child's meal account using the secure website.
5. OR call toll free: 1-866-243-9535 to make a payment over the phone.

For questions or technical support regarding the MealpayPlus System contact support at 1-877-237-0946.

Thank you for your continued support, and I am proud that we can offer you the convenience to pay online for school meals and meal account information through MealpayPlus. We consistently strive to find new and better ways to serve our students and our families, and I thank you for partnering with us in this effort.

Kind Regards,

Brenda Blanton
