The purpose of the Georgia Peach Award is to highlight and promote the best current young adult literature for Georgia high school age students, to encourage young adults to read and to promote the development of cooperative school and public library services for young adults. Teens vote for their favorite books out of the year's top 20 nominees at their high schools and local public libraries. We will spotlight one book each month.

### **Birthmarked by Caragh O'Brian**

In a future world baked dry by the sun and divided by those who live inside the wall and those who live outside it, sixteen year old Gia Stone is forced into a difficult choice when her parents are arrested and taken into the city.

Teen Read Week is October 16-22.

This year's theme is Picture It @ your library, which encourages teens to read graphic novels and other illustrated materials, seek out creative books, or imagine the world through literature, just for the fun of it.
